

Authorization to Apply for Tax ID Number

Legal Company Name: _____

State/Local to be registered: _____

- I authorize Payday USA to apply for the required Tax ID number. I have not previously been issued a tax identification number for _____. I understand that the company will be billed \$75 per registration application. I also understand that additional information may be required.
- I do not want Payday USA to apply for the required Tax ID number. I understand that if I do not provide Payday USA with the account number prior to the filing of the quarterly reports, a penalty will be assessed.

Type of Tax to be registered:

- Withholding
 Unemployment
 State Sales Tax

Type of Entity:

- Corporation
 Limited Liability Company
 Partnership
 Other (specify) _____

Why is a Tax ID# required?

- Started New Business
 New Business Activity in State/City
 Merged with another business (provide other entity's name/ID#)
 Acquisition of Existing Business (provide predecessor's name/ID#)

List the address of each business location within the state/city (attach additional pages if necessary):

Describe the business activity of the organization (line of business):

List each of the owners/officers including the social security number and address of each (attach additional pages if necessary):

SS#	Name	Home Address
_____	_____	_____
_____	_____	_____

Payday USA will send you the original application to complete any additional information required. You will need to sign and then return it to our office. Failure to return the form(s) in a timely manner will result in a penalty for not having a Tax ID #.
